

Safety Net Hospitals for Pharmaceutical Access

Rural Hospital Advisory Committee

Safety Net Hospitals for Pharmaceutical Access (SNHPA) is forming a special advisory committee of its rural hospital members to provide input into our programs and services.

The Rural Hospital Advisory Committee is chaired by Dr. Charles Hart, President and CEO of Regional Health in South Dakota and Brad Atherton, Director of Pharmacy at John D. Archbold Memorial Hospital in Georgia.

The committee will meet via one-hour teleconference approximately every other month, starting in September 2010.

For more information about this opportunity, please contact Anna Mangum at anna.mangum@snhpa.org or (202) 552-5863.
